Humanity is Coming to an End

Humanity is Coming to an end

They have proven harder to destroy

But destroy them we will

The Gods demand it

We are theres to command

Its all for THE GREAT JOURNEY

Humans are pests there filth

They must die

They will die

There demons might save some

But not all

Those they can not save will die by our hands

They don't even see us coming

They have no where to run

There will be no place left on this planet for them to run to

They should surrender

Theres no hope for them

Humanity is coming to an end

Humanity will come to an end

The Gods demand it

We are theres to command

Its all for THE GREAT JOURNEY
